The yearbook staff respectfully dedicates the 1959 Bulldog to Mr. Haskell S. Young, in recognition of his many years of service to Centennial.

After graduating from Southwest Texas State Teachers College, in 1922, Mr. Young completed his education by doing graduate work at Denver University and Colorado College. In 1934 he resigned as auditor for the Railway Building and Loan Ass'n to accept a teaching position at Centennial. During the years 1937 to 1948 Mr. Young was faculty athletic manager for Centennial. From 1947, to date, he has served as treasurer of Centennial.

Mr. Young is head of Centennial's business department and has taught such subjects as bookkeeping, commercial law, business principles, business arithmetic, and general business.

This is Mr. Young's last year of teaching, and students and teaching staff join his many friends in wishing him happy retirement—at the same time regretting the loss of such a pleasant and considerate fellow-worker.

Hi Sis -

Well, you are finally out of Centennial aren't you? C.U. will never be the same after next year! You really made a name for yourself at Centennial the last 3 years but you will make an even better one at C.U.

I don't really know what to say, I never was very good at signing these things. I think you were the ~~best~~ ^{best} Colonel. Centennial has never had. I was very proud to be your little sister in Sponsors and in Altiera.

We have liked many of the same things and I am very glad I got to share some more things with you; Sponsors, Altiera, Tri-C, Honor Society. (All-Star boyfriends)

You're a wonderful gal, sweet, and crazy. I could always take my troubles to you and you were always there to give me advice. I am going to miss you this school year, but I am looking forward to coming up and spending the weekend. (and know that I have no ring or boyfriend I guess you can line me up!).

Don't lose your wonderful personality Sandy. You're a great gal and some one I can always be proud of. Be good at School -
"Don't forget to write!"

Love Always
Karen

Dear Sandra,

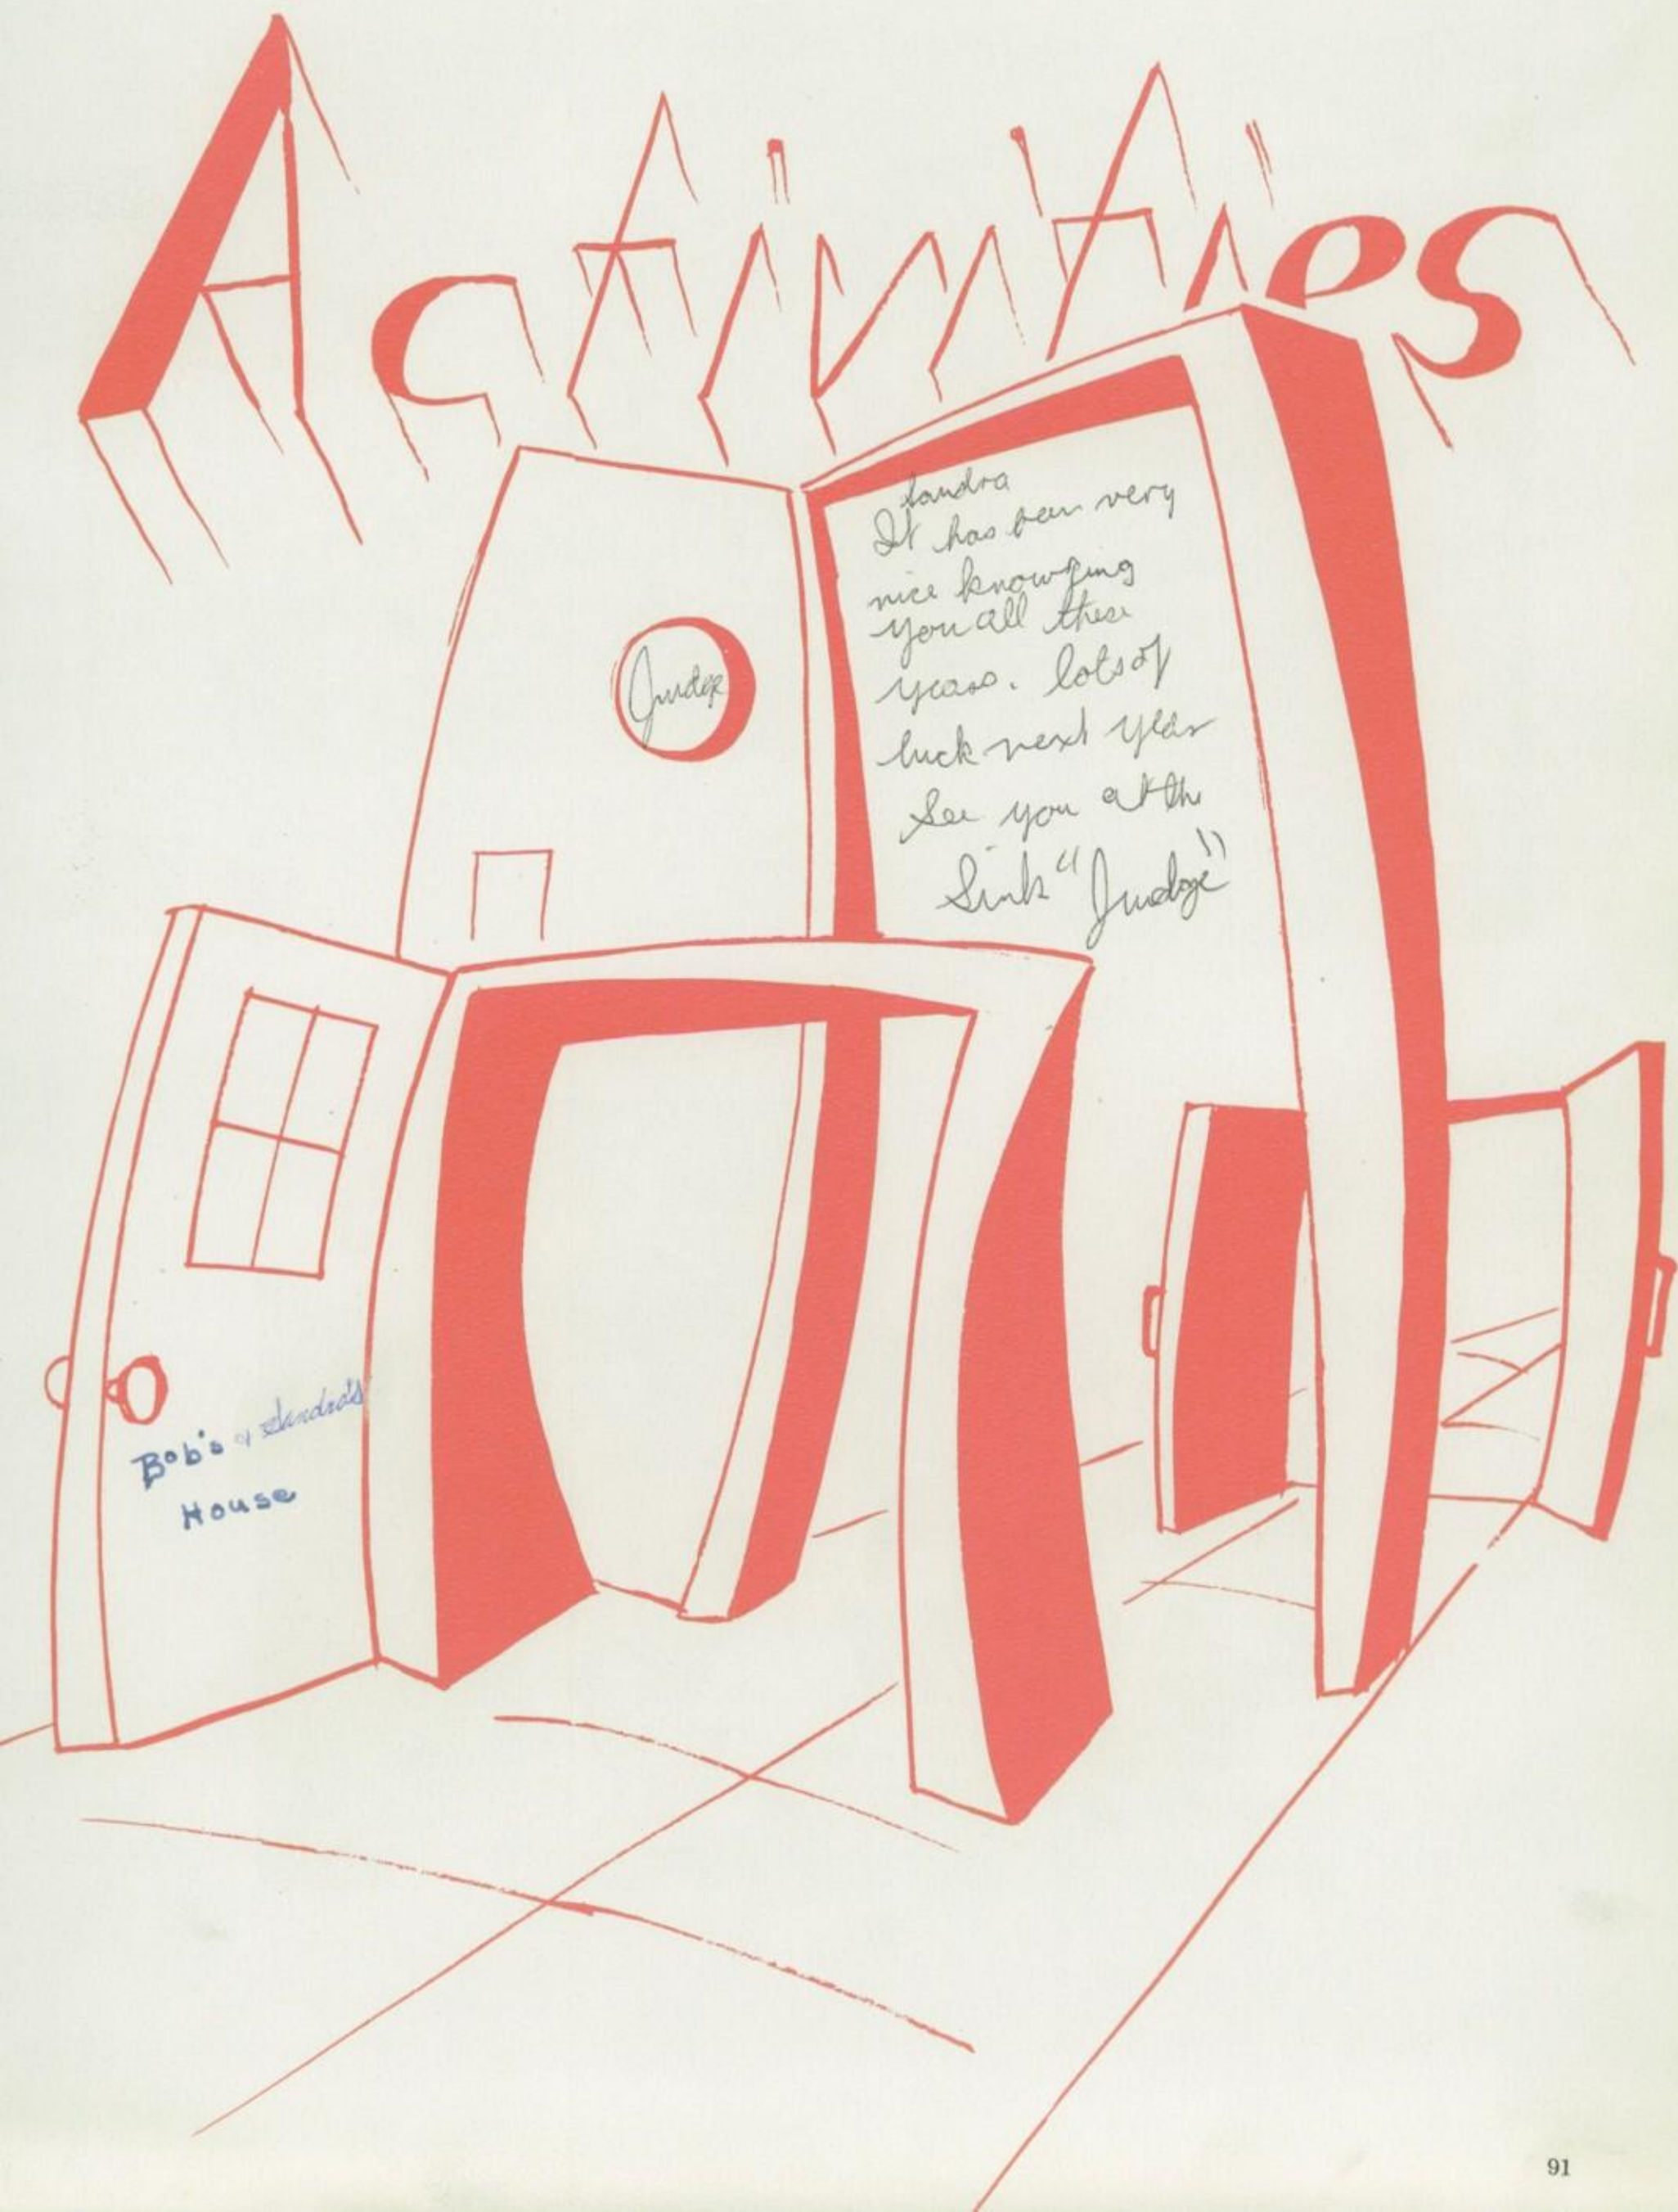

Well sweetie I really don't know how to tell you how much you mean to me. These past two years have been the most wonderful years of my life, thanks to you. We've shared so much together and I couldn't have asked for a sweeter, more beautiful girl-friend than you. I've had more fun with you than I could ever hope to have with someone else. I'm so glad I could share your great honor of being Colonel. They picked the greatest.

You are one of the most wonderful girls I have ever known. Your personality and darling looks will always make you a success in whatever you attempt. How one girl can have so much of a personality, be so smart I'll never know. Your whole family is just so wonderful. I can't tell you what a pleasure it has been knowing them and being able to go with such a wonderful girl. I'll never forget you as long as I live and all the wonderful times we've had together. As you said I hope we won't lose contact with each other in college. I'm sure we won't but you never know.

I want to thank you for everything you've done for me in these short two years. You have helped me so much in everything I've done that I can't tell you how much I've appreciated it. You'll never know how much you mean to me and you'll always be something special to me. Well sweetie I've said about as much as I can so I'll quit.

I love you

Bob

If it wasn't for your wonderful personality, (even though I'd be just as dull as ever, and I hate to see you leave. At least I was able to have two years of laughter by knowing you. I think you're "Most Beautiful" picture is just precious. You and Bob make the cutest couple and I hope you two will keep on going together. Good luck always in everything you do and have a great ex college.

Always keep your terrific personality and stay your I know that you'll succeed in life and anything you attempt or ever try (especially Bob). Best of luck always and maybe I'll see you around a little this summer.

Dear Sandra,

There's so much I want to say, and not enough
 space to write it in. You, by far, have excelled in every-
 thing you have gone after in High School, and I have no
 doubts that it will be the same in C.U. I can't even begin
 to remember how long I've known you, but it has been years, +
 years to remember, for there will really be some memories
 that we'll both cherish. It has been wonderful being friends
 with you, Sandra. You have such a darling personality, which
 is really an asset. Always be as sweet + cute as you are
 now, and you don't have a thing to worry about, + I
 must add, that you + Bob together are really lots of kicks.
 We haven't double dated very often, but when we have, it
 has been one big blast. Well, I guess that's about
 all, so be good.

Don't forget to write me
 when you get home
 I'll be waiting for you

Sandra,

Well we finally made it. Bay haven't we
had fun in Sponsors. You've been the greatest
as a Colonel and I never will forget Sponsors.
I want to thank you for the wonderful dinner
that you had. It was the greatest. Good luck in
College. I know you'll really have a lot of kicks.

Love ya Lots,

Charlene Desiato

Dear Sandra,

I haven't had the privilege
to become very well
acquainted with you. I
wish you could stay at
least another year, but I
guess you wouldn't agree
to that. I think you
made a real sharp
Colonel.

Best of luck!
